

# Volunteer Role Profile

Volunteer Role	<b>COVID-19 Self-Test Distribution Volunteer</b>
Volunteer Manager	<b>British Red Cross</b>
Where you will be based	<b>Community</b>

## Why we want you

Do you want to help people to get their Covid-19 test results quickly?

We need volunteers to provide people with self-test kits from a specific venue. You will need to record the names of people in receipt of and numbers of Covid-19 self-kits distributed. Also, you will need to follow safe clinical measures, including social distancing and wearing personal protective equipment (e.g. masks, gloves) at all times.

This is a vital role to help the NHS to process Covid-19 tests quickly.

## What you will be doing

- Providing people with Covid-19 self-test kits from a specific venue
- Following safe clinical measures, including social distancing and wearing personal protective equipment (e.g. masks, gloves) at all times
- Recording the names of people in receipt of and numbers of Covid-19 self-kits distributed
- Attending any relevant training, where the process will be explained to you
- Seeking help from a British Red Cross coordinator, if required
- Looking after your own wellbeing and asking for help if you need it

## The skills you need

- Able to understand and follow strict guidelines and procedures
- Strong timekeeping skills
- Able to use a computer and other digital technology
- Able to do shifts which involve a lot of standing
- Warm, friendly and have respect for individuals
- Confident, calm and reassuring
- Able to wear personal protective equipment (e.g. masks, gloves) for the whole shift

## What's in it for you

- Knowing that you have been a part of returning the world into a safer place.
- Chance to learn new skills and work in a new/ different environment.
